

Noorda College of Osteopathic Medicine 3rd Annual Research Symposium

Friday May 10th, 2024

Call for Abstracts: We welcome research from the following topics:

- Clinical and Translational Research
- Biomedical Sciences (Human and non-human)
- Public Health
- Education
- Other

Accepted abstracts will be asked to be made into posters (or presentations) to be delivered at the symposium and will also be available on the Noorda COM website. A selection of the top-rated posters will be published in the Intermountain Journal of Translational Medicine.

Important Dates:

Abstract Submission Deadline: March 22nd, 2024

Acceptance Notification: April 5th, 2024
